The Dawn Dawn Dawn approaches.
Radiant dawn of India!
Now is the moment of your grand awakening.
Radiant dawn of India!
You are about to arise.

Ride on wings of courage
Compassion and wisdom
Into the bright rainbow skies
of Indian morning.
Soar into the skies of hope
Confident composed
Higher, ever higher!

The Dawn Dawn Dawn approaches.
Radiant dawn of India!
Now is the moment of your grand awakening.
Radiant dawn of India!
You are about to arise.

The Dawn Dawn Dawn approaches.
Radiant dawn of India!
Now is the moment of your grand awakening.
Radiant dawn of India!
You are about to arise.
